DEMOCRATIC GAIN IN EAST GENERAL

Pennsylvania and Massachusetts as Usual, Are Republican.

JOHNSON WINS, BEATING BURTON

Independence League Defeated Generally in New York—New Jersey and Maryland Choose Democratic Governors, and Kentucky, Probably.

The elections throughout the country passed off in comparative quiet to-day. The returns from all sections up to a late hour to-night give the following results: In Massachusetts Governor Guild (Republican) has an estimated plurality of about 100,000, and is elected. His plurality in 1904 was 20,000. In New Jersey the returns are coming in slowly, but a report from the State capital indicates that Katzenbach, Democratic candidate for Governor, may have a plurality of 10,000. In 1904 Stokes, the Republican candidate for Governor, had a plurality of 21,000.

In Pennsylvania, Sheatz, who leads the Republican ticket for State treasurer, is elected by a large majority, estimated at 175,000. In 1906, the plurality of Stuart, Republican candidate for Governor, was 4,235.

In New York State Edward Bartlett and Willard Bartlett, who ran jointly on the Republican and Democratic tickets, are elected as judges of the Court of Appeals over candidates of the Independence League.

In New York City the Tammany candidates are leading those of the Independence League by large majorities.

In Rhode Island Higgins, Democratic candidate for Governor, is making gains, but the race is close. In 1906 Higgins had a plurality of 1,515.

In Maryland, the county returns indicate that ex-Governor Smith wins in the senatorial primary. Conservative estimates based on very meagre information indicate that Governor-elect, Democrat, for Governor, will carry the State and city by from 6,000 to 8,000.

In Kentucky, Johnson, Republican, candidate for Governor, is making gains, but there is doubt as to his overcoming the Democratic majority of 1903.

In Mississippi, the election of Noel, Democratic candidate for Governor, is assured, as he has no opposition.

At late hour the re-elected of Tom L. Johnson, Democratic candidate, was conceded by the Republicans over Theodore E. Burton, Republican, for Mayor.

At Salt Lake City, the American, or anti-Mormon party is leading.

At Toledo, Mayor Whitlock, is re-elected.

In Nebraska, M. B. Reese, Republican, candidate for the Supreme Court, the most important office voted on, is undoubtedly elected.

Cincinnati elects Colonel Leopold Markbreit, the Republican candidate for Mayor.

Meagre returns from San Francisco show Taylor, Democrat, and Good, Government candidate, leading in the mayoralty. The Republicans carried the other city offices.

FUSIONISTS CRY FRAUD

Benton at Every Point in New York. They Thus Explain Defeat.

NEW YORK, November 6.—What interest there was in yesterday's apathetic election was over the result of the Republican and Independence League fusion in New York county; the showing made by the Independence League in its fight alone against the identical tickets of the Republicans and Democrats for associate justices of the Court of Appeals; and the make-up of the next State Assembly. Fusion failed in New York county; the straight Democratic ticket being elected, with majorities of from 30,000 to 50,000.

Thomas F. Foley, Democrat, for sheriff, defeated Maximilian F. Ihmsen, an Independence League Republican, on the fusion ticket.

Chairman Parsons of the Republican County Committee, who was credited with having arranged the fusion, expressed surprise at the result, and placed the responsibility on the financial situation and repeaters.

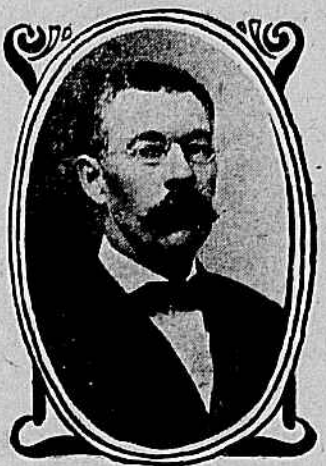

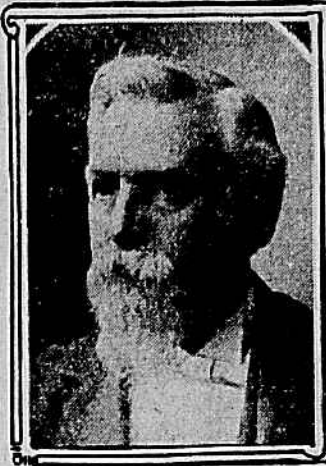

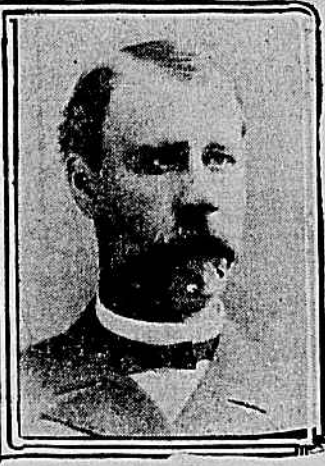

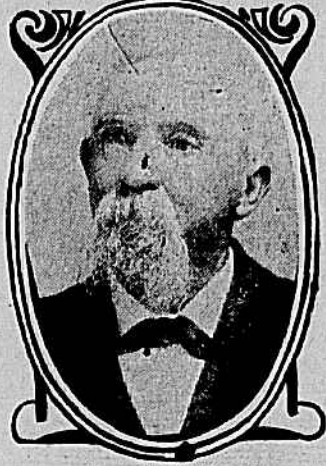

Leaders of the Independence League wing of the fusion unreservedly declared its defeat due to fraud.

In Kings county (Brooklyn) the Republicans were generally successful, although the Democrats re-elected District Attorney Clarke, by 15 plurality.

The Republicans lost a few members of the Assembly, probably six. Ke-

FOUR ARE SHOT IN ELECTION DAY RIOT

Protest of Clyde Campbell, Republican Candidate, Leads to Serious Trouble.

ONE KILLED; THREE WOUNDED

LEXINGTON, KY., November 5.—Following an election day riot Clyde Campbell was killed. Patrolman Michael Murphy probably fatally wounded and Patrolman Marion Smith and W. R. Campbell, Clyde's father, severely wounded.

The elder Campbell, who was a Republican candidate for Councilman, was arrested after he had protested against what he termed election fraud. His son came to his assistance, and was shot by Murphy. W. R. Campbell then shot Murphy, who returned the fire, severely wounding his man, although himself probably fatally hurt. There is much excitement.

Comes to Father's Aid.

There is some difference in reports as to the details of the shooting. A graphic account is given by Thomas A. Knight, who saw the tragedy. Knight said that in a large crowd at a voting place he saw Police Officer Murphy struggling with W. R. Campbell.

When the struggle seemed nearly over and the policeman's antagonist seemed to be easing his resistance, he saw young Campbell run up and strike Murphy in the face. Murphy turned and kicked Campbell in the stomach. Campbell then ran out East High Street, while Murphy continued toward the police station with his prisoner.

A minute later young Campbell came running up with a revolver in hand. He ran up to Murphy and shoved the pistol in his face. Murphy was evidently surprised at the attack, but he held on to his prisoner. Campbell demanded of Murphy that he turn his father loose, but Murphy refused.

Shooting Becomes General.

Just then Patrolman Smith came up, and as young Campbell turned to see the officer Murphy struck him three times over the head with his club. Young Campbell dropped to his knees, and as he did so, the elder Campbell shot Murphy in the back. Smith then drew his revolver, and the shooting became general. Smith shot old man Campbell. Murphy staggered up against the side of the building and

ARREST BOURKE COCKRAN

Congressman Charged With Illegal Voting Is Promptly Released.

NEW YORK, November 5.—Congressman W. Bourke Cockran was arrested on a charge of illegal voting this afternoon at a polling place in Third Avenue. The policeman who made the arrest said he could not verify the address given by Mr. Cockran, 131 East Seventeenth Street, as this address from which Mr. Cockran had registered. The Congressman was taken to the police station, and thence to a police court.

Mr. Cockran is grand sachem of Tammany Hall. A servant at the East Seventeenth Street Station had sworn that no one named Bourke Cockran lived there, and Magistrate Cornell issued the warrant while under the impression that some one was trying to vote in the Congressman's name.

When Mr. Cockran was arraigned in court one of the assistant district attorneys denounced the arrest as an outrage, and Mr. Cockran was peremptorily dismissed. Mr. Cockran said the East Seventeenth Street house was his residence before he went to Congress and that he had never forfeited his right to vote from that address.

CHILD BURNED TO DEATH

Clothing Takes Fire While Mother Is Out of the Room.

RALPHIGH, N. C., November 5.—News is received here of the horrible burning to death of the little daughter of Felix O'Neal at his home in this county. The mother had left the child with several other children on the first floor of the house, and gone up stairs. Screams of the children caused her to rush back, where she found little Mary in flames, her clothing having caught from the open fireplace.

The child was so horribly burned that nothing could be done to save its life.

WHALING VESSELS SAFE

Five Believed to Have Been Caught in Ice Are All Safe.

SAN FRANCISCO, CAL., November 5.—The five whaling vessels of the Pacific Coast fleet, which were thought to have been caught in the Arctic ice floes, and for the safety of which grave fears were entertained, are safe and will arrive here shortly. This word was received to-day from Unalakleet, B. C. The vessels are said to be on their way to the open sea. The catch is reported as follows: Herman, two whales; Thrasher, 5; William Bayless, 4.

PASS BOGUS BANK BILLS

Two Men Charged With Realizing on Worthless Currency.

COFFEYVILLE, KAN., November 5.—Two men, giving their names as Thomas Dugan and O. Yeason, are under arrest here, charged with passing bills issued many years ago by the Merchants' and Planters' Bank of Savannah, Ga., and now alleged to be worthless. The bank is alleged to have received its currency long ago. The men had a large quantity of bills.

HECHLER ELECTED BY BIG MAJORITY

Voters Kept Away from Polls, Election Officers Being Absent, Too.

SORE ON THE GRAND JURY

Elected in Henrico

FOR THE SENATE:
T. Ashby Wickham.

FOR HOUSE OF DELEGATES:
C. W. Throckmorton.

FOR TREASURER:
H. C. Hechler.

COMMONWEALTH'S ATTORNEY:
Julien Gann.

SHERIFF:
L. H. Kemp.

SUPERVISORS:
Brookland—C. W. Saunders.
Tuckahoe—W. E. Grant.
Varina—R. T. Wilson.
Fairfield—Washington Bottoms.

Elections have lost their one-time popularity in old Henrico. Not even the presence of various candidates could drag voters to the polls, and apathy seemed to affect those who were appointed to serve as judges and clerks, for at many precincts election officers failed to appear, and much delay and confusion resulted. A light vote was polled throughout the county, and while complete returns are not in, there is every indication that the total vote will not be more than one-half of that polled in the recent Democratic primary.

There did not seem to be any distinct fight on Mr. Hechler, although he had independent opposition. He was elected by a very large majority. Seven of the largest precincts lying near the city gave Mr. Turner thirty-five votes out of a total of 388 cast, the candidates for the Legislature, for sheriff and for Commonwealth's attorney, who had no opposition, receiving practically the whole vote, but few negroes and Republicans offering to vote.

These same seven precincts polled in the Democratic primary in September a total of 681 votes out of a total in the primary of 1,226; the precincts listed being Harding, Bowling, Green, Ridge Church, Montrose, Chestnut

TALK OF LYNCHING THEM

Violence Threatened to Couple Charged With Cruelty to Child.

(Special to The Times-Dispatch.)

LEXINGTON, N. C., November 5.—There is still much talk of violence to H. R. Shoaf and wife, who are in jail here charged with beating the little Fields girl so cruelly that she is expected to die from her injuries. The prisoners are being guarded in the jail, but traveling men from High Point, where the little girl lived, and Thomasville report that feeling runs high at both places, especially at High Point, and that there is much danger of an angry mob coming here to do violence to the prisoners.

The Fields and Shoaf families were intimate, and the little girl, at the urgent request of the Shoafs, went to visit the latter. It is alleged that soon after her arrival the Shoafs began to abuse and torture the four-year-old child. They broke her arm, mashed her toes by stamping on them and beat her unmercifully. Shoaf was seen ducking her in a tub of cold water early one morning in extremely cold weather. There is a large bruise on her head two inches square, and her body is covered from head to foot with smaller bruises. Her nose was pulled upward until it was torn at the bottom from her face. There is no reason given for this, and there appears no motive.

FATAL FALL FROM TRAIN

Mr. Farrell, of Danville, Killed While En Route to Oklahoma.

(Special to The Times-Dispatch.)

SALISBURY, N. C., November 5.—P. A. Farrell, of Danville, Va., traveling with a party of several friends en route to Oklahoma, was killed last night by falling from a westbound train near Elmwood, a small station twenty miles from this city. A daughter of Mr. Farrell was with the party, but he was not missed until the train had gone more than 100 miles. Messages were sent back to various stations, and the dead body was found near the track. The body was taken to Asheville to-day, where the Oklahoma party stopped on account of the killing. Mr. Farrell was about seventy-three years old, and the cause of his death is a mystery.

DANVILLE, VA., November 5.—The city directory here gives no such name as A. F. Farrell, and nothing could be learned here tonight of a man by that name.

JOEL COOK IS ELECTED TO SEAT IN CONGRESS

PHILADELPHIA, PA., November 5.—Joel Cook, Republican, was to-day elected to Congress from the Second District to fill the vacancy caused by the resignation of John E. Reynolds, who was elected Mayor of Philadelphia last spring. His opponent was a prohibitionist.

TWO MILLIONS IN REVENUE ARE LOST

Probably Fifty Per Cent. of Distillers in Virginia Evade Laws.

STOREKEEPER IN COLLUSION

Times-Dispatch Bureau, Munsey Building, Washington, D. C., Nov. 5.

Commissioner Capers, of the Internal revenue bureau, admitted to-day that the government had lost \$2,000,000 in revenue from whiskey distilled in Virginia in the last two years or such a matter, and that 25 per cent. of the whiskey now being made in the State is revenue free, owing to the trickery of certain distillers.

Mr. Capers said that some of the smaller offenders had already been brought within the clutches of the law, and predicted that within sixty days or thereabouts there would be more important developments. He could not outline the plans of the bureau, but he seemed confident that the outcome would be highly interesting to a large number of distillers in the State, though not to all, for there is a considerable body of them not under suspicion.

The unlawful use of excess of materials, "double mashing," and more runs through the stills, within a specified time than are allowed by the government are some of the methods by which the distillers are alleged to have defrauded the government. The most common method is that of working the stills overtime and crowding through more than the maximum quantity of grain on which tax has been paid.

Prosecute Storekeeper, Too.

The commissioner said that if it should be discovered that there had been in any case collusion between the distiller and the government storekeeper, stationed at the distillery, both would be prosecuted, with the chief offenders appear to be residents of the State of Virginia. Commissioner Capers said that the bureau would probably find that some North Carolina distillers, and several from other States, were also guilty of similar frauds.

"There is a great deal connected with the investigation which I cannot make public," said the commissioner, "but I am confident from data which we have at hand that we have lost about \$2,000,000 in Virginia alone, and that 25 per cent. of the whiskey being distilled in

STATE SWEEP BY THE DEMOCRATS

Control Both Branches of Legislature as Usual.

KEEZELL WINS IN ROCKINGHAM

Barrett Whips Out Opposition in Newport News, and Edmondson Defeats Kerns in Halifax—Some Close Districts in Southwest.

Based upon returns received up to 2:30 o'clock this morning, it is safe to assert that the Democrats swept the State on a light vote in yesterday's legislative elections, and will control the two branches of the General Assembly by the usual majority.

There were a number of contests for local county offices, though on many of these party lines were not drawn, and they are therefore not of widespread public interest. Returns from the Southwest are meagre, though indications are that the Republicans have probably increased their lead by a few votes from that section.

In Rockingham "Barney" Keezell swept down all opposition, and was returned to the Senate by over 400 majority, pulling the entire Democratic county legislative ticket through with him.

Hon. W. E. Barrett, Democrat, won for the House in Newport News, after a bitter contest, and the district of Klunanna and Goodland is in doubt. The same is true of Stafford and King George, where indications seem to slightly favor the Democratic nominees for the House.

The Democrats had a sweeping victory in Danville and Pittsylvania over the Independent ticket, though Henry sends, a Republican, to the House to succeed Hon. J. M. Barker, Jr. (Democrat). Major Henry A. Edmondson defeated Hon. H. O. Kerns, incumbent, for the Senate in Halifax by over 300 majority, and in Lunenburg Hon. S. H. Love was elected to the House over Mr. George T. Allen. In both of these counties all the aspirants were Democrats.
